#### Old Business

1. Negotiations Update
  - Getting close to contract settlement with company
  - Update on Steve Patterson's altered timecard (Richard Grey altered his overtime). The company paid.
  - Merit pay—Steve Patterson is an example of how it doesn't work (in regard to his coverage of Hall trial and denial of raise in light of it). Also clerks/ea's don't have the opportunity to prove merit. Patterson okays use of his situation for merit argument.
  - If 100% merit pay is offered from the company in regard to contract, the guild answer will be no.
  - Next bargaining session probably in February

## 2. Dues Check Off

- Federal lawsuit still ongoing, depending on contract, it could go away.
  - Automatic withdrawal-----20 responses (18 positive, 2 negative) probably enough to use system—no one will be forced to participate
  - Note from Karen Snelling to pay dues—and on time
3. 2003 stipend for president, treasurer, chair of bargaining committee  
Pat Maman moves, Steve Patterson seconds
  4. Tom Seibel fund got a good response with a total of \$2200, \$400 has also been sent to the family.
  5. Payment of bills-----none

## Any and All Business
